MEGA SOFA SPECIFICATION

ABOUT THE MEGA SOFA

“I saw a rack of freshly baked loaves in the bakery close to our office. There was something about the risen bread against the metal wires that was instantly appealing and I wanted to transfer that sculptural idea to a sofa. Bread represents comfort, life and stability – perfect sentiments to include in a sofa!”

With thin steel tube side panels, which enclose and lift the plump cushions at the same time, The Mega Sofa offers superb comfort and sculptural expression in offices, hotels and homes. The Mega Sofa is available in our range of fabrics, in two-seater, three-seater, ottoman and day bed versions.

Design by Chris Martin
